In the spaces provided, list **six** subjects, one from each group. If you do not wish to choose a subject from Group 6, you may instead choose an extra subject from Groups 2, 3 or 4.

**Ensure that you:**

- Select **six** subjects
- Select Higher Level (HL) or Standard Level (SL) for English and Mathematics.
- Select an *ab initio* level language ONLY if you have not previously studied that language at all.
- Choose no more than two subjects from any one of Groups 2, 3, and 4.
- If you are pursuing medicine at University you may choose 3 sciences and no subjects from Groups 3 or 6.
- Consider alternate choices of subjects in case your first choices are not able to be offered as all classes are dependent on numbers.
